OBJECTIVE

The objective of this policy is to lay the foundation for procedures and support to ensure a safe and healthy facility and working environment.

SCOPE

This policy applies to all members of the Emily Carr University of Art + Design (University) community.

POLICY

The University is committed to promoting a safe and healthy facility and working environment for all administration, faculty, staff, contractors, students and visitors. The University has established and maintains safe working practices through proper procedures and direction as outlined in the University's Occupational Health and Safety Program, as guided by the "Workers' Compensation Act" and "WorkSafe BC Regulations".
