

ECU Wireless Network for Mac OS X

Requirements:

- Wireless card installed in your computer
- Emily Carr Network/Email account

How to Connect:

1. Select **ECI Wireless** from the wireless menu.
2. The wireless icon should fill in with the number of bars indicating the signal strength of the wireless connection.

3. **Open a web browser** and navigate to any webpage. You will be re-directed to the wireless access login page. (
4. **Enter your username and password.** These will be the same as those used to access your Emily Carr network/email.
5. The wireless connection will expire after a period of time and you may have to log in again.

A screenshot of the 'ECU Wireless Network' login page. It features a title 'ECU Wireless Network' at the top. Below the title are two input fields: 'Login:' and 'Password:'. A 'LOGIN' button is positioned below the password field. At the bottom of the page, there is a link that says 'Need some help? [Visit the ITS homepage](#)'.
