ACCOMMODATION RENEWAL REQUEST

Accommodation Notices are specific to one semester.

For each semester that you would like an Accommodation Notice you will need to submit a renewal request to accessibility@ecuad.ca.

When your Accommodation Notice is ready, it will be emailed to you as a password protected pdf to your Emily Carr email address. To request accommodation, send your instructor(s) an introductory email with your Accommodation Notice attached. This email is meant to open a conversation around your accommodations and how they may be implemented in the class.

An appointment with the Student Resource Coordinator is only required if there has been a change to the status of your disability or you wish to request a change to your Accommodation Notice. If you indicate that there has been a change, the Student Resource Coordinator will get in touch with you to set up an appointment.
