## ACCOMMODATION REQUEST

Students seeking academic accommodation for a disabling condition, whether permanent or temporary, are asked to start the process by completing an Accommodation Request. Once your Accommodation Request and documentation is received, you will be contacted to schedule an appointment with the Student Resource Coordinator.

Emily Carr University respects your right to privacy and your decision to disclose any disabling condition. By disclosing to us, we can establish your accommodations. Your disability and documentation will not be shared with your instructors, only your accommodations.

*All information collected is governed by the Freedom of Information and Protection of Privacy Act.*
