STEP 2: Gather and Upload Supporting Documents to SlideRoom

STEP 3: Complete Application Questions in SlideRoom

STEP 4: Gather and Upload Portfolio examples to SlideRoom

Prior art and design experience is not required to apply to this program. The portfolio is an opportunity to present examples of work that demonstrate your creativity, critical thinking, technical skills, and interests. We are interested in learning about how you understand them from an art and design perspective.

We welcome a diverse range of submissions, and encourage you to assemble a portfolio that best represents your background, experience, and interest in the program. We recommend including 5-8 examples of work, which can be accompanied by a short, written explanation.

Examples of work applicants have submitted:

- Media-based work (including Photography, 2D and 3D Animation)
- Drawing, Painting, Illustration
- Graphic Design
- Wireframes
- Product/Industrial Design (including Models and Prototypes)
- Websites (including front- and back-end development)
- Creative process (including mind-maps, concept development, sketchbook content)
- Collaborative work (with clearly defined role and contributions to project)
- Project management
- Campaigns

Technical considerations:

Preferred image resolution is 1024x768px at 72 dpi (when possible). All video files must be under 60MB and limited to 3-minute clips. SlideRoom offers additional instructions for submitting your work once you begin your application.

Accepted File Formats:

- images (.jpg)
- video (.mov, .wmv, .flv)
- music (.mp3)
- PDF files (max 2 pages)
